Math Help: http://sherwoodandoakmath.wikispaces.com/Math+Help
Math Help will be offered on Tuesday afternoons from 2:50 until 3:45 in room 221. Participating students should go to room 221 at the conclusion of dismissal at 2:50 and be picked-up in front of the school promptly at 3:45.

Math Help is intended for students needing assistance with a specific math concept or skill, and will be facilitated by a community volunteer. Students should come to **Math Help** with an assignment to complete or a specific question for the facilitator. However, **Math Help** occurs in a small-group setting, so it is not a personalized tutoring session.

Math Club: http://sherwoodandoakmath.wikispaces.com/Math+Club
Math Club will be offered on Monday afternoons from 2:50 until 3:45.

Participating students should go to the common area near the parent pick-up lot at the conclusion of dismissal at 2:50 and be picked-up in the parent pick-up lot next to the school promptly at 3:45.

Informational Meeting: Monday, October 5, 2014
-All necessary handouts will be provided during this meeting.

First Official Session: Monday, October 20, 2014
-Students begin practicing for contests.

Final Session: March ?, 2015
-TBD depending on date of final contest.

Math Club is intended for students interested in solving very challenging problems about a wide variety of middle school math topics. Formal instruction is not provided. However, students work collaboratively while adult and high school student facilitators provide assistance. **Math Club** members participate in 5 Math Olympiad contests and 1 New England math League contest.
